"I am really grateful to Red Cross for giving me the wheelchair that I am sitting on. I suffer from Paralysis and both my legs are dysfunctional. Today, I am able to move around only because of this wheelchair. I thank Red Cross with all my heart."

Sarwan Kumar, a beneficiary from Jammu, Jammu & Kashmir (7889775998)

"Coronavirus has led to a decrease in blood donations, affecting many people in need, especially Thalassemic patients. I donated blood to encourage people to come forward during this difficult time & help the needy. I urge all Red Cross volunteers to also do the same."
