ASSOCIATION WINGS

INSTRUCTIONAL WORK

The Association Wing continued with its routine activities of instructional work, enrolment of members, organizing of Lecturer's courses and providing support and participation in various health, social and relief programmes, under the frame of its principles and guidelines. During the year training was imparted to 4,65,379 persons in First Aid, Home Nursing, Mother Craft and Hygiene & Sanitation, in the categories of aerodrome staff, community projects, drivers and conductors, armed forces, police, mines & factories, NCC, civil defense, home guard, railway employees, teachers & students and the general public. It has been encouraging for the organization that First Aid /Home Nursing Certificates holders showed their willingness to obtain higher level Certificates. 26,050 Certificates holders were re-examined for vouchers, medallions, labels and pendants. In the field of major activities, the year has shown all round progress in the multiple of activities of the St. John Ambulance (India).

HOME NURSING

Training in home nursing provides basic knowledge and skill for nursing the sick and wounded which results into more stress on this field. The training in home nursing is given to all categories, age group, communities, schools, institutions, organizations etc. Sometimes people may need nursing care at home either because their illness is not such which requires hospital treatment or they have been discharged from hospital after treatment to complete their convalescence. St. John home nursing training caters to the requirements of patients care at home and imparts training to give knowledge of the basic principles of nursing care to enable them to use their skills for this purpose. During the year 43,311 persons were trained and awarded home nursing certificates.

MEMBERSHIP

In St. John Membership enrolment drive is a regular feature of the Association. The centres continued to make concerted efforts in the campaign for boosting the membership. During the year under consideration 4875 life members were enrolled in State/UT Centres.

LECTURER'S TRAINING COURSE

The lecturers of the Association Wing are the true strength of the State, District and Local Centers to impart trainings in First Aid and allied subjects in the country. The State/UT Centers continued to organize training courses to enhance the panel of lecturers on the approved list of the National Headquarters. During the year 213 Lay Lecturer Certificates were revalidated and issued.

BRIGADE WING

The Brigade Wing functions as a para-medical force to provide First Aid cover and transportation service to the sick and wounded through First-Aid posts. Many Brigade Units maintained round-the-clock First-Aid posts at different places like Bus Stands, Railway Stations and other places. The other activities of the Brigade Units were setting up of eye check-up camps, health care centers and setting up of First-Aid posts in public congregations on the occasions of Republic Day, Independence Day, Rath Yatra, Trade Fairs, International Fairs and other public places of large gathering

COMMUNITY SERVICE

The volunteers of Brigade Wing provide assistance to State Governments and district administrator on the occasion of Ganpati festival, Kumbh Mela, Rath Yatra, Republic Day etc. Eye camps were organized to provide free eye check up and treatment. The various State Units of St. John provided assistance to their State Governments in the Pulse Polio Programs. During the year under report, volunteers of Brigade Wing, actively worked in distribution of blankets to the old and needy persons in the extreme winters.

Round-the-clock First Aid and Ambulance Services were provided by Delhi Brigade District of St. John Ambulance at Inter-State bus terminals to transport the serious patients to hospitals for further treatment.

SUMMARY OF THE ACTIVITIES OF

ST. JOHN STATE/ UT /

RAILWAY CENTRES AND

BRIGADE WINGS DURING 2018-19

1. Assam

The objective of St. John Ambulance is to provide First Aid and medical support of community needs and imparting education, training and personal development to young people.

The St. John Ambulance (India), Assam State Centre has taken in hand a comprehensive scheme to provide First Aid Training to the people of Assam Police Department, Govt. officials, urban and community people, State Transport Corporation, Industrial Sectors like ONGC, OIL, OIL REFINERY and different chemical plants of Assam.

Medical Services during Flood & Ethnic Violence:

Besides organizing First aid Services in the time of Flood in Assam, Medical Services were also provided along with the Ambulance. During the year Guwahati, Mangaldoi, Goalpara, Dhemaji, Bilashipara, Rangia, Sadiya District Branch rendered remarkable services to the flood victims by health checkup, First Aid and free distribution medicine of minor ailments with the help of District Health Services.

Ambulatory Service:

Red Cross Hospital, Chandmari, Guwahati:

Red Cross Ambulatory service from Red Cross Hospital, Guwahati at present is limited with in the greater Guwahati City. First Aid Camps with ambulatory services were also provided on the occasion of Bihu, Ambubashi Mela, Maha Sivaratri, Durga Puja, Book Fare, Trade Fare, Sports meet and other public rallies organise in Guwahati on some socio-cultural occasion. During the year 45 ambulatory services were done under different emergency situation.

Silchar District Branch:

Ambulatory service of IRCS, Silchar District Branch has been rendering from the year 2012. The services of ambulance are better utilized for the indoor patients of Red Cross children hospital. Emergent patients are referred to Silchar Medical College Hospital and different pathological labs for investigation. It has also been utilizing for voluntary blood donation camps, free health check up camps and in the time of natural and Manmade disaster with their first aid team along with the mobile medical unit.

Ambulance moves daily at least 3 to 5 times in different emergency situation along with the Silchar town and its interior sub-urban areas. Thus in a month at least 78 to 130 ambulatory service were provided by the IRCS, Silchar District Branch.

Karimganj District Branch:

The Ambulatory service of Karimganj District Branch from Karimganj Red Cross Hospital is very active. It helps in the transportation of the hospitalized patients. Attend emergency call and transport the referral case from Karimganj to Silchar medical college hospital in emergency. During the year 350 ambulatory services were given besides giving First Aid and emergency service during the manmade and natural disaster like flood and storm.

Ambubashi Mela:

-Holy Ambubashi Mela is the most important religious festival of Kamakhya Temple at Guwahti, Assam is celebrated in the month of June every year.

During the year 2018 also along with the Kamakhya Debuttar Board, the Kamrup Metropolitan district administration has organised the mela in a big way. The Administration has arrange for the accommodation of 50000 to 70000 pilgrims coming to the mela along with the sanitation, drinking water. Security aspect has also been adequately planned by the district administration.

As per request of the Kamrup(M) district administration, Assam State Centre has also actively taken part in the mela and rendered several activities round the clock with the help of the first aiders and first medical responder volunteers. The service has started on 22nd June 2018 to 26th June 2018. First Aid, crowd control, transportation of casualties, providing drinking water, restoring the missing people to their families etc. were performed by the Red Cross Volunteers. The dedicated services of the volunteers has been recognised as a great help to the pilgrims and acclaimed at large by the Govt. and civil authorities 75 nos. of selected trained volunteers from different district branches have participated in the services. It was supported by other services provides like SDRF, Civil defence, State health department, Assam police. During the Mela more than 1,200 casualties of different injuries and ailments were given First Aid Service had referred to the hospital for the better treatment.

Training:

During the year 2018-19 total 2372 persons were given first aid training in 93 camps as follows:

1. Corporate sectors	23 camps	811
2. Industrial	21 camps	488
3. Assam police deptt.	40 camps	900
4. NGOs (urban & rural)	6 camps	173
5. YRC/JRC	10 camps	300

Participants from corporate sectors, industrial plants, NGOs were given senior/voucher First Aid Certificates besides awareness camps organised for JRC & YRC volunteers.

2. Chhattisgarh

First-Aid provides an initial rapid response to a health emergency, offering protective and life saving measures to minimize the impact of the situation until the affected person's condition is stabilized, remedied or professional help is made available. As an integral part of health promotion, First-Aid Training also includes information on how to prevent injuries and illness, and covers individuals, families and communities both in their daily lives and in the event of a crisis. First-Aid can be adapted to particular needs and attributes of a situation and should consider both the physical and psychological needs of the people concerned, including the volunteers, staff and beneficiaries.

First-Aid Training: One of the most important activities is First Aid Training programme in various industries like: Students (JRC/YRC, Engineering Students), Police Department, Driver for Heavy Batch License, School/College Teachers and councilors, Academy Students and ANM Students and other industrial areas.

During the year under report total 7466 nos. of persons were trained in First Aid.

First Aid Training at R.R. Ispat Industry Urla, Raipur Chhattisgarh

3. Dadra & Nagar Haveli

The U.T. Centre has conducted First Aid Training courses in the industrial units, wherein the knowledge of First Aid is mandatory amongst the employees. During the year 2018-19 total 40 Nos. of batches of First Aid Training camps have been conducted wherein 912 nos. of industrial workers have also been trained.

View of the First Aid training Sessions
