HIGHLIGHTS OF THE MONTH

From the Desk of The Secretary-General

Volunteers unwavering dedication and resilience are shining brightly during the devastating flood response in Kerala, Karnataka, Manipur, Tripura, and Andhra Pradesh. Your tireless efforts in rescue operations and relief work embody the spirit of humanity that the Indian Red Cross stands for.

Over last few years, floods have struck places that were not considered flood prone. Rains have also affected new areas and caught our branches unawares. But it has also revealed the strength and compassion of our volunteers and branches. I would like to thank all the branches for undertaking various humanitarian activities like the distribution of hygiene kits, food items, kitchen sets, tarpaulins, mosquito nets etc. to the vulnerable & needy during the flood season.

As you continue to support and aid the affected communities, remember that your work is vital and widely appreciated. Your bravery and commitment make a significant difference in these challenging times. Let us stay united and focused on our mission, drawing strength from each other and from the communities we serve. Together, we will overcome these challenges and emerge stronger.

IRCS bid adieu to Sh. Pradeep Kumar, IRCS, NHQ (MTS). We wish him good luck, health and prosperity in his life ahead.

The branches observed many important days and festivals this month like World Humanitarian Day, Organ Donation Day, World Lung Cancer Day, World Mosquito Day, Independence Day, Rakshabandhan, Geneva Conventions Day, etc. Such observations give us an opportunity to connect with people & create awareness about Red Cross.

Leaders of National Societies of South Asian Countries gathered at Maldives to discuss and brainstorm about various issues related to humanitarian services. Challenges before National Societies, Resource Mobilisation, engaging with youth, 2024 International Conference at Geneva were the issues discussed in this meeting. IRCS role as leader in South Asia was again emphasised and expectations were put forward by various nations. India's potential to come forward and take lead role was very well recognised by IFRC & others. Dr. Anant Pandhare, Vice Chairman's presence was highly appreciated and his inputs were very well accepted by entire Red Cross and Red Crescent community. IRCS has taken responsibility to lead quarterly meeting of all nations in the region for coming together and solve humanitarian issues. Pakistan Red Crescent specially felicitated Dr. Anant Pandhare for his valuable presence.

IRCS decided to join hands in the crusade against blood shortage with ABTYP (Akhil Bhartiya Terapanth Yuvak Parishad). Dr. Anant Pandhare, Vice Chairman, IRCS, was Guest of Honour in 58th All India Conference of ABTYP at Surat, Gujarat. In his speech in front of 1000 youth leaders from across the country, Dr. Anant Pandhare promised them that IRCS is already committed to work for humanity and services to mankind. IRCS is officially ready to work with ABTYP, shoulder to shoulder, and meet the shortage of blood in India.
